

SEAd Grant

A starter educational research grant sponsored by the Society for Education in Anesthesia

2024 Application Process and Selection

1. Application Cycle and Timeline

The application process will consist of two phases. The selection committee will review all of the Phase 1 applications and will invite the top three applicants to complete Phase 2.

Phase 1 should include the following documents as separate attachments (Word or PDF) and must be submitted through the SEA website:

1. Abstract (500 word limit) to briefly describe the study and the intent of the study.
2. Budget (please take into consideration that the grant does not cover overhead or salaries, as it is a starter grant).
3. CV.

Phase 1 begins October 1, 2023 with a deadline of December 15, 2023. From December 16, 2023 until January 11, 2024 the Selection Committee will review the abstracts and invite the **top three abstracts** to complete Phase 2. Applicants will be notified of a decision around January 15, 2024.

Phase 2 will include the following and must be submitted to SEAd@seahq.org:

1. Bio sketch of applicant (*template available from SEA website*).
2. Bio sketch of the mentor(s) (*template available from SEA website*).
3. A personal statement (part of bio sketch).
4. Detailed research plan – should include
 - Background
 - Hypothesis and Aims
 - Materials and Methods
 - IACUC/IRB status
 - Detailed budget with Budget Justification
 - Potential pitfalls and their solutions
 - Expected findings and their significance
 - The plan for a future grant application based on the proposed study
 - References

Use 12-size font (Times New Roman, Arial, or Calibri), single space, one-inch margins, and **a maximum of five pages** including the budget, figures, tables, and references.

5. Mentoring plan.
6. Letters of support and commitment from:
 - Chair-must agree to additional non-clinical time (minimum of 2 non-clinical days per month).
 - Mentor(s).

Phase 2 of the application process will occur from approximately January 16, 2024 until February 16, 2024. The recipient of the SEAd Grant is expected to participate in the SEA Spring Meeting (April 19, 2024 to April 21, 2024). At this meeting, the recipient will be announced during the awards session on April 20, 2024.

2. Grant Description

The SEAd Grant is a \$10,000 education research starter grant, open to Faculty members of the Society. The purpose of the grant is to inspire and assist aspiring faculty who have no previous funding to start an educational research project. The grant requires that the recipient be given non-clinical time by their department to complete the project.

3. Eligibility Requirements

To be eligible for this grant, the applicant must:

- a) Be a current member of the SEA.
- b) Have received no prior non-departmental (“outside”) research funding.
- c) Be within 10 years of starting an academic / teaching career.
- d) Present an original education research idea.
- e) Name a mentor and submit a mentoring plan.
- f) Have the full support of the Departmental Chair, who must sign off on the grant application and agree to grant the applicant additional non-clinical time (minimum of 2 non-clinical days per month), if awarded.
- g) Submit a budget plan. This grant does not cover overhead or salaries, as it is a starter grant. While the SEAd grant cannot be applied to salary support, it can be used to support costs for professional services from salaried professionals that are essential for the planning or execution of the project (e.g. statistician fees).
- h) Agree to present the completed study (or a progress report) at the Spring SEA Meeting following the award, including a financial report detailing how the grant was used.
- i) Submit a manuscript to a peer-reviewed journal for publication, with acknowledgement of SEAd Grant funding.

4. Selection Process

The selection committee would be comprised of the following:

- Chair of Research Committee,
- Chair Designee of Research Committee,
- SEA President,
- SEA Immediate Past President,
- One or two members appointed by the Research chair, for their breadth and depth of education research expertise.

The grading and selection committee will consist of 5-6 members. *A copy of the grading matrix is available from SEA website.* The committee would read and grade all of the proposals and then discuss the studies and select the winner(s). The attached scoring tool will be used to standardize the scoring. A written critique with feedback will be provided for all of the applicants. It is important that all applicants receive some feedback about the strengths and weaknesses of their project.

5. Reporting and award requirements

There must be progress reports 6 months and 1 year after the receipt of the grant:

The 6-month report should be brief (less than 2 pages) and include:

- Progress made to date (including expenses),
- Difficulties encountered or anticipated roadblocks as well as plans to mitigate them,
- Identification and explanation of any changes made from the original proposal.
- The committee should then review the progress report and offer assistance in resolving problems that arise, to help ensure success of the grant recipient.

The 1-year report must be provided for the SEA BOD to review one month prior to the spring meeting. The report will include:

- A summary of the objective and the results of the study,
- Any changes in the study or mentorship,
- Publication or abstracts that have been generated from the study,
- A financial report detailing how the grant money was spent,
- Award of further funding.

The grant will be awarded to the grant recipient's institution. All expenses funded by the grant are to be paid by the institution. Any unused funds are to be returned to SEA. The SEA and its auditors reserve the right to receive upon request documentation and itemized receipts for the expenses.

6. Record Keeping by SEA Management

A SEAd Grant web page will be established on the SEA website. This will include a description of the grant, application materials, and a record of past awards and outcomes (further funding, publications, promotion etc.).
